# Class History

Here we are, preparing to chart new seas, and as we are about to weigh anchor, let's glance back on the waters over which we've come.

In our Freshman year, under the able seamanship of Tom Cochran, assisted by his second-in-command Bonnie MacPherson, secretary Pam Drew and treasurer Bonnie Cooper, we embarked on the journey of our high school years. Our 'Constitution' was mercilessly battered by the waves of Latin I; and it was from Dr. Brooks we learned that "you can't build muscles on a diet of cream-puffs" and that "if it isn't right, it's wrong!" In the Variety Show some of the female mates went Parisien in their never-forgotten Can Can Act. Dennis Marsh, in the first of his many dramatic triumphs, won the prize-speaking contest. And no one agreed with us that our One-Act Play, "The Dweller in the Dark" was the best ever, despite Mary's commendable scream. Of course, none of these achievements could have been accomplished if it hadn't been for the tugboat guidance of Mr. O'Brien, alias 'Blushing Boy.'

In our sophomore year we weathered squalls and qualms. We were skippered through the choppy waters by Tom Hammett, assisted by Tom Cochran, first mate; Bonnie Cooper, keeper of the log; and Jeanne Conlin, our purser. Quite a bit of energy was devoted to pitching pennies and putting John Gregson through the ceiling. Mark Twain, in the person of Dennis Marsh, and the Merry Mouseketeers were featured in the Variety Show. Under the guidance of Mr. Pettengill and Mrs. Collins we sailed to victory in the play competition with "Winter Dust." It was also during this year that sea-sickness was suffered by many as most of us tackled dissecting for the first time!

Then came our Junior year! Our poor 'Constitution' was really hung up on a reef . . . we discovered that we had to settle down and study! First-in-command Peter Lovely, aided by Susy Nickerson, Paula Deschamps and Judy Balanger, piloted us through these dangerous, shark-infested waters. Girls were missing some hair and the boys suffered from bruises as a result of the near-fatal combination of Driver Ed. and Mr. O'Hara. It was at this time most of us crashed head-on into Chemistry (collision at sea!) Dave Hart wanted to donate some of his blood for scientific research, but they couldn't use it because there was too much glass mixed in with it. And did anybody ever really find out what happens to an egg in the centrifuge? Miss Lily had her 'lovelies' engaged in segregated square-dancing. We again won the play competition with "Echo" and that famous line, "my fault . . . my fault," will remain with us for years to come! Under the auspices of Mr. Greenman, our Junior Prom, "Bon Voyage" (true to our ship sense), was a great success. Once again we had weathered a rough year and attained some success while doing it.

Finally, we sailed majestically and proudly into our Senior year . . . only to be dashed cruelly upon the rocks. There were so many things to do! Then came the big blow . . . yup! I'm referring to all-important, nervewracking thesis! Richard Robicheau won the Nauset Beatle Contest. Our Senior Prom, "Winter Fantasy" was another feather in our cap. During all this, our guiding light-houses, Miss Garfield and Mr. Smith, assisted our skipper Ricky Doepper, first mate Dave Hart, log-keeper Sue Swan and Purser Paula Deschamps in piloting us as the mightiest Senior Class in the annals of Nauset Regional High School.

As we prepare to weigh anchor and explore uncharted seas, we can't help but looking back and attributing our success in the future to the fair directional winds of NRHS.

A black and white photograph of a wooden boat deck. In the foreground, a wooden hatch cover is propped open by two long wooden poles. A thick rope is coiled on the deck to the left. Various tools and equipment are scattered around, including a small metal container with a handle and a large, dark, rectangular object. Student Council is one of the most important organizations of Nauset Regional as it is the student government branch of the school. All the suggestions from the student body are read and carefully considered and acted upon at the discretion of the Council.

The Council is presently running the school bookstore, the Nauset Faucet, and has planned several assemblies for the enjoyment of the whole school. This year the Council has re-written the school Handbook and is sponsoring the ever popular Sock Hops after home basketball games.

In the spring the Council plans the annual Variety Show, Student-Teacher Day and we hope to run a candidate for a State office.

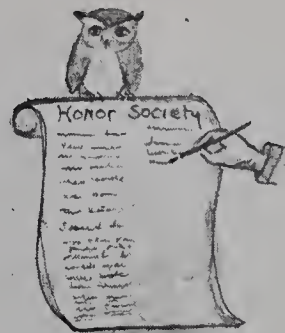

The Council is well-respected by the student body and does all it can to improve school enthusiasm and produce a sense of responsibility to the school and community.

## Honor Society

Left to Right: President, L. Wilcox; Treasurer, S. Horten; Secretary, M. Richey; Vice-President, N. Brown.

The Nauset Regional Honor Society is composed of members of the National Junior Society from grades 8-10, and the National Senior Society from grades 11-12.

Members to be eligible must be on the Honor Roll for two consecutive marking periods. They are then chosen for membership by a faculty council of seven who select those qualified on the basis of character, service, and leadership.

Members are on probation if they are off the Honor Roll for one marking period. If they fail to make it a second time, their qualifications are reviewed by the faculty council and they may possibly get one more chance before being removed permanently.
